### **Please read the membership agreement carefully!**

In becoming a member of RCGEARS there are certain terms you must agree to. We are a registered Not-for-Profit Society with the Alberta Government and have certain rules that must be adhered to. The club exists because of the members and their active participation in the club. In becoming a member you agree to the following:

1. You will show a true sportsman attitude while at the track. Any yelling, swearing, or abuse of any kind will result in one warning. The second offense will be an automatic loss of membership and of use of the facility. Any abuse of any of the executive members will result in an immediate loss of membership and use of the facility.
2. We are a family oriented sport. There is a zero tolerance policy towards Drugs and Alcohol. If you are found to be in violation of this, you will be automatically removed from the facility and have your membership revoked. This policy includes any spectators that you may bring with you.
3. Carry your membership card with you! Any of the CSCC or Radio club members may ask you to prove that you are a member. If you don't have your card with you they will ask you to leave.

If you are in violation of any of the above conditions, you will lose your membership and all privleges associated with the club.

I agree to the terms above.
