

## 2024 RC Gears Membership

RC Gears is a registered Not-For-Profit Society with the Alberta Government and have certain rules that must be adhered to. The club exists because of the members and their active participation in the club. We are a family orientated club.

### In purchasing and becoming a member of RC Gears for one season, you agree to the following:

1. You will show a true sportsman attitude while on and off the track, including posts on social media.
2. RC Gears will not be held responsible for any damage, theft, etc. of any structures, equipment, or vehicles on the property. We recommend that you always lock your vehicle, all valuables should be taken home, and any pop-up tents to be taken down at the end of the day to avoid damage by wind, hail, animals, etc.
3. This membership agreement is for one season only (April 1st to November 1st).
4. It is mandatory to have your membership card with you while at the track. Any of the CSCC or Radio Club members may ask you to prove that you are a member. If you do not have your card with you, you will be asked to leave.
5. Any yelling, swearing, or abusive behavior of any kind will result in one warning for the first offence. The second offence will be issued a suspension and/or ban. This policy includes any spectators that you may bring with you.
6. Any abusive behavior or slanderous remarks towards any visitors, club members, executive members, or club sponsors, be it verbal or posts on social media, will be issued a suspension and/or ban. This policy includes any activity deemed not to be in the interest of the club.

If you are found to be in violation of this policy, you will be automatically removed from the facility and banned from RC Gears. This policy includes any spectators that you may bring with you.
8. If you are in any violations of any of the above conditions, you will be issued a suspension and/or ban.
